## Monday, November 30, 2020

The Cass County Board of Supervisors met at 9:00 a.m. with all members present: Steve Baier, chair, & John Hartkopf onsite; Stephen Green, Mark O'Brien & Frank Waters electronically. Agenda upon motion by Hartkopf, 2nd by Green was approved. Minutes of November 17, 2020 upon motion by Waters, 2nd by O'Brien were approved.

J C Wyman and Mitch Boysen, representing the Cass County Firefighters Association, reported the association is applying for a grant to provide radios to all Cass County fire departments. Request is for about \$341,265 (about 52 mobile radios and 14 hand held radios) and if awarded would require a 5% local funding match. The association asked the board to consider providing the 5% match funding.

Cass Co. EMA/Public Safety Communications coordinator Mike Kennon said the County is upgrading the local system so it can work with the new Iowa Statewide Interoperable Communications System. The provision of radios through this grant would help complete the system while reducing the total local dollars required.

After due discussion, the Board consensus was they support the association's application and they would be willing to provide financial support if the grant was awarded. However, the Board chooses to take no formal action at this time.

County Engineer reviewed current road projects.

Motion by O'Brien, 2nd by Green: to allow/disallow family farm credits and to approve agricultural land credits as recommended by the Assessor and the Auditor in accord with Code of Iowa (Chapters 425A & 426) for taxes collectible FY2021-22. Carried unanimously.

MH / GA Coordinator Deb Schuler gave report on activity for the month of October.

Committee reports- Hartkopf: 11/19 CABEDA- A couple of prospects have recently indicated interest in the Valley Business Park property; Baier: 11/18 Juvenile Detention meeting- No quorum present; and 11/23 Golden Hills R C and D.

The following claims were approved and the auditor authorized to issue checks for same:
